**Saturday Night Banquet:** We have a large room at The Palmdale Hotel. There is a good dinner planned at a reasonable price of \$25. After dinner, a few of the old-timers will entertain us with some tall-tales of the early days of Alfa Racing (for directions see Lodging).

## Event Specifics

**Racing:** Wheel to wheel racing action. Experienced drivers only!

- **Alfa Cup Race:** There will be over twenty vintage Alfa's entered, several from out of state. The Alfa line-up will definitely be "interesting". If your Alfa is OK to race with VARA, it is OK to race in the Alfa Cup with AROSC.
- **Open Race:** All non-Alfa race cars will race in this group.
- **Fun Race:** If time permits, there will be an extra race that includes all race prepped cars.

**Time Trials:** Required safety equipment for Alfa and non-Alfa TT cars depends on run group.

- **Advanced TT Group:** This is for people with 20-plus track days or race school experience. SAFE passing allowed anywhere on the track, point-by recommended.
- **Intermediate TT Group:** Passing is allowed anywhere on track but only with a point-by. This is for people who have about 10 to 20 track days.
- **Beginner/Novice TT Group:** Passing only on straights and only with a point-by. This is for people with roughly 1 to 9 track days or who think they would be uncomfortable with less restrictive passing. Classroom sessions are included.

**Lunch Time:** Lapping Session: Alfa's only. Open track, CLOSELY SUPERVISED by our instructors. Price is \$10. Helmet and roll bar not required. **\*\*Spiders welcome.\*\***
