## Time Trials - Racing

All makes and models welcome!

### Our Time Trials and Race Run Groups:

**Beginner/Novice TT Group:** Passing only on straights and only with a point-by. This is for people with roughly 1 to 9 track days or who think they would be uncomfortable with less restrictive passing. Classroom sessions included.

**Intermediate TT Group:** Passing is allowed anywhere on track but only with a point-by. This is for people who have about 10 to 20 track days.

**Advanced TT Group:** This is for people with 20-plus track days or race school experience. SAFE passing allowed anywhere on the track, point-bys recommended.

**Race:** Wheel to wheel racing action. Experienced drivers only!
