

## World famous AROSC High Performance Driving School

---

### Race, Time Trial/Time Attack, and Street Performance!

---

Only \$295 for a great weekend of car fun!

---

Your car. Your helmet. 2 days of track, skidpad and classroom.

The High Performance Driving School is a chance to test the limits of your vehicle and yourself. No flashing lights, no tickets, no worries! In addition to having a great time, you will be learning the skills that will make you a better driver on the track and on the street. You will have classroom time, a lot of skidpad exercises (a great experience in learning car control), and a lot of actual track time.

Our High Performance Driving School, run by AROSC, has been in continuous operation for over 20 years.

- No racing belts required for Street Performance Group.
- Instructors will ride in your car.
- All makes and models are welcome; you just need a desire to improve your skills and to have a little fun in the process.
- In Race class you will experience more starts in 1 weekend than you will probably see in 2 years of club racing!

**From first-timers to seasoned racers, we will improve your driving skills!**

AROSC - Taking it to the track since 1972!
