

AROSC Time Trials & Races

AROSC Racing, Time Trials, HPDE

Saturday, Jan 17 — Sunday, Jan 18, 2015

Willow Springs Int'l Raceway, Rosamond, CA

Registration runs from November 2, 2014 11:00 AM to January 17, 2015 11:59 PM

Start the new year off right with a weekend of racing at Willow Springs International Raceway, the fastest track in the west! The weather will be cool, which means more horsepower and better lap times!

\$280 for the weekend! \$150 for single day entries. Register now, pay later!

Our run groups:

- **Time Trial Groups:** Your chance to achieve your best lap times on the "big" track at Willow Springs. Controlled passing in specific sections of the track, or with point-bys. Based on your experience and car, we will assign you to the proper run group.
- **"Alfa Only" Time Trial Group:** Bring your Alfa out to join the fun of running in sessions comprised of all Alfa Romeos. Nothing is more fun than running the track with cars of similar performance!
- **Race:** Wheel to wheel racing action. Experienced drivers only! If your car is OK to race with VARA or other sanctioned race series, then it is OK to race with AROSC.
- **NEW! - Lunchtime "Track Intro":** No special safety equipment required. Only \$25 for about 30-40 minutes of lunchtime track driving fun! Includes pre-track classroom session.

NOTE: AROSC always has a Fire & Rescue team on site at our events. If & when you need them, every second counts!

You can find additional information at: www.aroschpd.org

AROSC - Taking it to the track since 1972!
