

HPDE/Time Trials/Races

June 27 & 28, 2015

Buttonwillow Raceway, Buttonwillow CA

\$125/day, \$250 for the weekend!!!

All makes and models welcome!

Please join AROSC at Buttonwillow Raceway for our Time Trial/Time Attack, High Performance Driving Education, Racing, and our annual 2 Hour Enduro! Buttonwillow is a terrific track and a great driving experience, with excellent food and RV facilities, so bring the family for for a fun weekend of driving and spectating! We will be running the full track, [configuration #13 CW](#), which includes the "Bus Stop". This helps even out the competition between the big and small cars.

Run group sizes will be limited! If they fill up, the only thing we can do is waitlist you. Sign up now to reserve a spot, pay later!

RUN GROUPS:

- **HPDE/School:** For people who have not driven on the track before, or who are uncomfortable driving solo. This will be a highly controlled driving school and training environment, including classroom and in-car instruction.
- **Solo:** For newer drivers, passing with point-by only in certain straight sections of track. Stock seat belts OK.
- **Point-By:** For drivers with more experience, passing anywhere on the track with a point-by. Stock seat belts OK for 2000 & newer cars unless big engine mods or race tires.
- **Open Passing:** For very experienced drivers & faster cars, passing anywhere on the track with no point-by required. 5 or 6 point harnesses
- **Race Group:** Wheel to wheel racing, typical racing equipment required.

TECH YOUR CAR YOURSELF!

AROSC has a “Self Tech” process. You may tech your car yourself, or can have a professional do it if you do not feel qualified. **You must bring your completed & signed tech form to the track and turn it in at Registration.**
